

Below is the code for a developer to add the FJC Find-A-Camp tool to your website. It is designed for a space 1000 pixels wide.

CODE FOR FIND A CAMP

```
<div class="column_a display" style="width:1000px">
  <!-- .block -->
  <iframe src="http://jewishcamp.campminder.com" style="width:
530px;min-height:1200px"></iframe>
  <!-- .block -->
</div>
```
